### Welcome to the Space Management Office

The mission of the Space Management Office is to collect, maintain, supply and analyze UW-Madison facility utilization information; to identify, assign and acquire space and real property resources required for all university academic, research and administrative programs on and off campus; and to provide and support modern learning spaces with enhanced instructional technology.

To better meet the Department's space utilization, alignment, and planning goals, we transitioned to a new web-based facility application, **INSITE** (Net-FM). This program integrates facilities information with other campus data sources and allows implementation of new business practices for the university to achieve the following:

- streamline data collection processes
- permit efficient school/college/department data access
- link Principal Investigators and research grants to space
- link people to space
- track assets and capital equipment

This system transition was completed by March 2012.

---

#### Space Management Data Portal

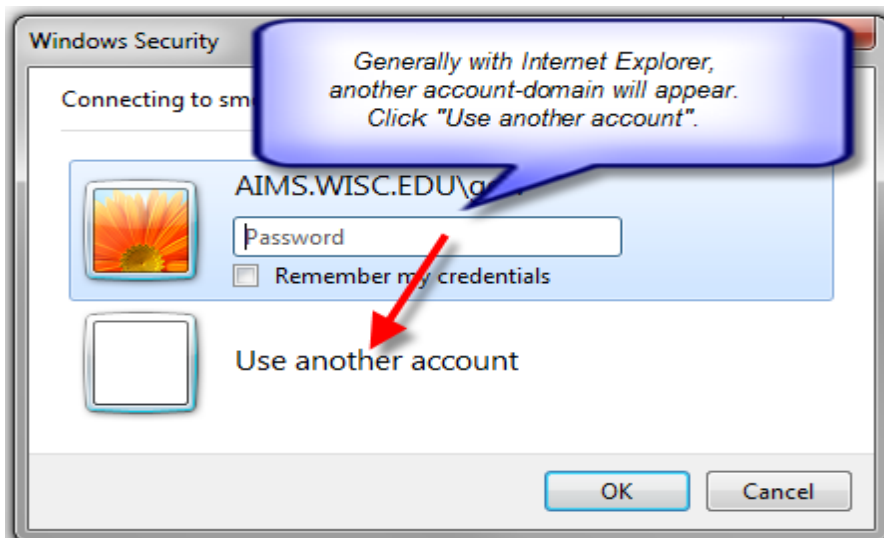

- [INSITE](#)
- [Instructional Space Attributes](#)
- [Campus Facility Information](#)

Click to open. (instructions)

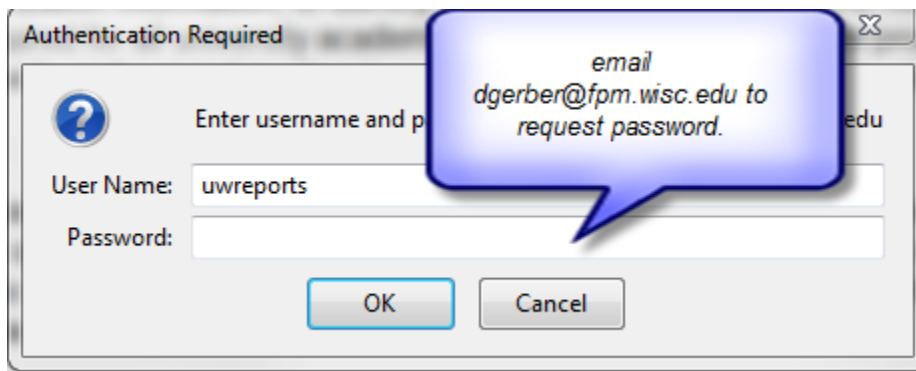

---

Internet Explorer and FireFox browsers work the best. With Chrome and Safari, you have to 'Save As' a PDF to view the data.

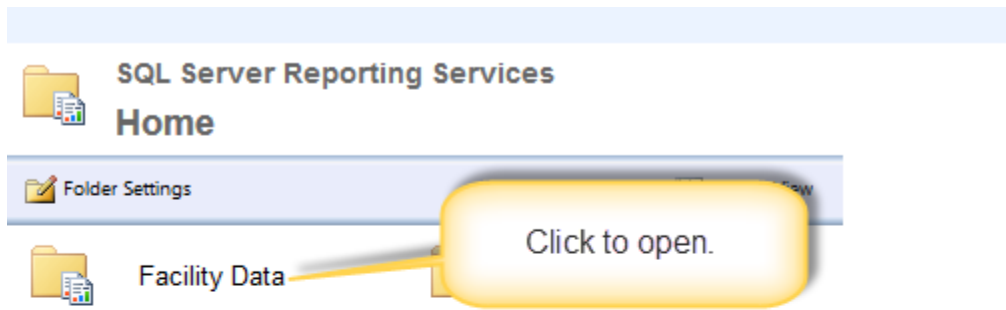

Report login for Campus users. You can click 'Remember...' box to save your login.

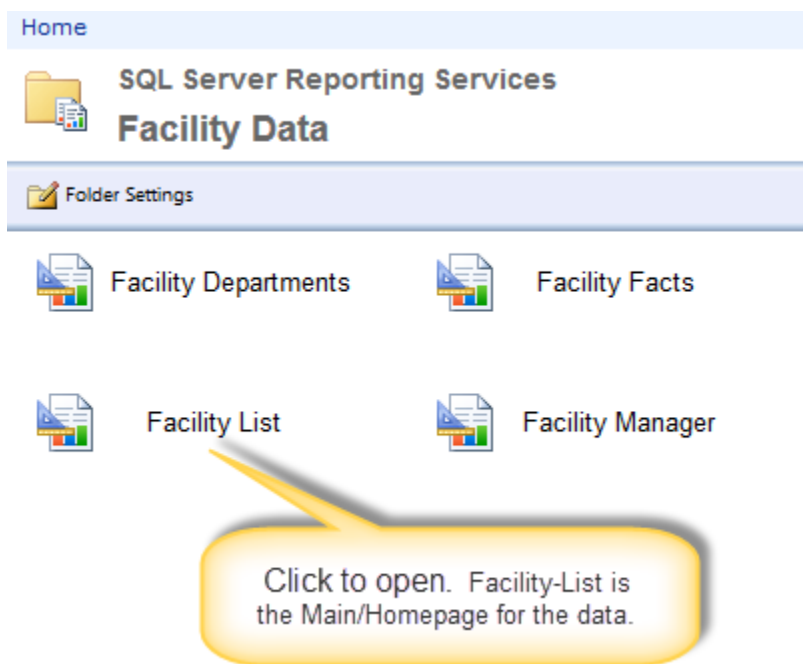

If your computer/network access is not provided by AIMS, please email to request access.

## Facility Data report folder

Reports – **Click on report name to open.** Reports are preloading data, so there may be a delay after clicking. Reports work best with Internet Explorer and Firefox. With Chrome and Safari, Save-As/Export to PDF to view data.

Facility List – Click building number to access more facility data, columns are sortable.

Home > Facility Data > Facility List Home

**Campus Sectors** - column - Buildings on UW-Madison Main-campus are located in six campus sectors.

**Main-NE** - north of University Ave and east of Charter Str

**Main-NW** - north of University Ave and west of Charter Str to Babcock Dr

**Main-SE** - south of University Ave and east of Charter Str

**Main-SW** - south of University Ave and west of Charter Str

**West-Far** - north of University Ave and west of Walnut Str

**West-Near** - north of University Ave and east of Walnut Str to Babcock Dr

**Report functions** – clicking on Building Number takes you to more facility information.

The screenshot shows a web application interface for 'UW-Madison Space Management Office'. At the top, there is a breadcrumb trail: 'Home > Facility Data > Facility List'. Below this is a navigation bar with a search box containing '1 of 1' and a 'Find | Next' button. A red 'F' icon is visible next to the search box. A dropdown menu is open, showing options: 'XML file with report data', 'CSV (comma delimited)', 'PDF' (highlighted), 'MHTML (web archive)', 'Excel', 'TIFF file', and 'Word'. A callout box points to the search box with the text 'Search for character string.' Another callout box points to the 'PDF' option with the text 'Click to save report as PDF. This is necessary with Chrome and Safari to view data.' A third callout box points to the '0002' building number with the text 'Click to return to main folder.' The main content is a table with columns for building number, official name, address, and location.
